**Statement by the Staff Representative on Malawi
Executive Board Meeting
June 20, 2016**

This statement provides information that has become available since the issuance of the staff report. The new information does not alter the thrust of the staff appraisal.

Two prior actions were met in the manner contemplated in the staff report (EBS/16/56). One of the two prior actions (reporting on arrears) was met before circulating the staff report to the Board, and the other related to bank reconciliations was met on June 9, 2016.
