Office Memorandum

To: Members of the Executive Board

October 13, 2016

From: The Managing Director

Subject: **Organizational Change in the Communications Department**

In accordance with Rule N12, I wish to inform the Executive Board of the following organizational change in division name of the Communications Department's Current Communications Division (COMCC) to **Policy Communications Division (COMPC)**, effective November 7, 2016.

Over the past ten years, the role of the division has greatly expanded, reflecting the Fund's growing emphasis on using communications as a strategic tool to support and strengthen the effectiveness of its policies and operations. The division now plays a central role in communicating the Fund's policies and messages to audiences around the world through magazine and news articles, blogs, videos, podcasts, and explanatory material such as factsheets. Changing the name to the Policy Communications Division (COMPC) will reflect more accurately the division's expanded scope of work. **There are no staffing changes or budgetary implications involved in this name change.**
