

**1. Adequacy of the Global Financial Safety Net - Amendment to Decision on Strengthening the Effectiveness of Article VIII, Section 5**

The decision on Strengthening the Effectiveness of Article VIII, Section 5, Decision No. 13183-(04/10), adopted January 30, 2004, as amended, shall be amended to reflect the adoption of the Policy Coordination Instrument as follows:

1. Paragraph 18(a)(ii) shall be amended to read:

“(ii) for another purpose in circumstances where the relevant information is reported to the Fund with respect to a performance criterion under an arrangement under a facility of the Poverty Reduction and Growth Trust, a quantitative target under a Policy Coordination Instrument, or an assessment criterion under a Policy Support Instrument, and understandings have been reached between Fund staff and the relevant member that such reporting shall be made not only for the purposes of the relevant arrangement or instrument but for such other purposes as well, and where the deviation from the relevant performance criterion or assessment criterion, as the case may be, is judged to be de minimis as defined in paragraph 1 of Decision No. 13849.”  
(SM/17/139, Sup. 1, Rev. 1, 07/12/17)
