## **Request for One-off Increase in Carry Forward for FY2021**

May 4, 2020

Subsequent to submitting the IEO's budget proposal for FY2021, significant travel scheduled for March and April 2020 has had to be delayed to FY2021 due to the COVID-19 pandemic. Some of the payments to consultants will also need to be delayed as they will require more time to advance their work assignments.

To accommodate this shift in spending, the IEO is seeking to increase the carry-over of unspent funds from the FY2020 budget for spending in FY2021 up to a maximum of 8 percent of the FY2020 approved budget. This is higher than the agreed 5 percent carry-forward policy adopted in 2009 during the discussion of the FY2010 IEO budget. The IEO is requesting this higher carry-over on a one-time, exceptional basis to provide us with sufficient flexibility to manage the resumption of travel and completion of delayed work in FY2021. OBP agrees with this approach.

### **The Proposed Budget Decision**

The IEO is requesting approval from the Executive Board to carry forward to FY2021 up to 8 percent of the unspent funds from the FY2020 approved budget.
