**Statement by the Staff Representative on the Central African Republic  
Executive Board Meeting  
January 12, 2021**

- 1. This staff statement provides information on recent developments. It does not alter the thrust of the staff appraisal.**
- 2. The authorities completed the remaining prior action on the submission to Parliament of the asset declaration law on December 15, 2020.** In close consultation with staff, the C.A.R. authorities prepared and submitted to Parliament amendments to the draft law that they had initially submitted to Parliament in early October to bring it in line with the applicable international good practices.
